**ANTI SOCIAL BEHAVIOUR – TABLE TENNIS PROJECT** - We're sure the whole community will join us in our disgust and despair at hearing the news that the Table Tennis project has been vandalised by what we've been told was two local boys. Anyone who followed the progress of the project last year will know just how much hard work has been put in by so many voluntary members of the community, not least 3 young girls from Wilberfoss School who went on to win first prize of a trip to Florida in the Humberside Lifestyles Project for their efforts. Graffiti in the form of the word 'Katie' has been etched on the table top, one of the cast iron chairs that were donated to the project has been stolen and we understand the metal net in the centre of the table has been tampered with. The chair has since been returned to the site but these incidents have been reported to Humberside Police. We would like to urge each and every one of you to be vigilant and report any incidents (using photographic/video evidence if at all possible) to Humberside Police or Sarah Wills, Parish Clerk.

It has been wonderful to see people of all ages using the table and we hope the facility will be available to everyone for many years to come. Please help us to stamp out anti-social behaviour in what is ordinarily a wonderful place to live. Bats and balls for use at the site are now held at The Pavilion which is open from 11.00 am to 11.00 pm on Saturday and Sunday and from 6.00 pm on Wednesday, Thursday and Friday evenings.

## Wilberfoss "Mavericks" JFC Season 2013/2014 overview

### East Riding FA Charter Standard Development Club Award 2014

First some fantastic news for Wilberfoss JFC! We've just won the County Award for East Riding FA Charter Standard Development Club 2014 and have now been entered into the regional awards. The FA Community Awards aim to recognise and reward the people and clubs who are promoting and driving grassroots football and the East Riding FA have recognised us. This is a great achievement for the club and one that we are very proud of. Not only is this down to the volunteers and coaches but to all the players and parents who support the club and help make it possible come rain or shine. So a BIG thanks and well done to everyone involved in club.

Now the football:- So far this season the **MINI'S** have shown great commitment throughout which has reflected in the development of their skills and knowledge of the game. Starting in September with only handful of kids each week from Ben, James, Edward, Oliver, James, Lilly, Noah and Alfie the numbers have rapidly increased to the most recent session having 18, with regular turn outs for cousins Billy and Harrison. Every single one of the players is showing talent and the future of the club is looking promising. Since the start of the season, training has concentrated on shooting and finished with some footballing drills: plenty of dribbling and passing making sure they all have the basic skills before developing them and bringing them on as a footballer. The kids have also done a few tournaments so they now know the rules and the aim of the game with prizes to be won! Well done to everyone this season, you've all been great mannered and a pleasure to teach. Dan

Wilberfoss JFC are pleased to announce that following the success of our **MINI's**, we have moved 7 players up an age group and are now preparing an **Under 7's** team next year.

The **Under 8's**, with a young and inexperienced team, playing non-competitive matches (some for the first time) started the season slowly but by Christmas found themselves with some high scoring draws under their belts which provided a good starting block to the second half of the season. This was helped by the formidable 'shot stopper' Callum Davison and attacking play of Taylor Ayres and Jamie Skelton. After Christmas, training focused more on the teams positioning and ball control which paid dividends when it came to match day. The team started sticking to positions and playing as a team and on occasions looked like a team beyond their years. With the kids enjoying training, oozing enthusiasm and a couple of additions late on in the season the team finished on a high and in many matches were by far the stronger of the two teams. Shame the season had to come to an end! The u8's entered 3 non-competitive tournaments over the season which proved to be great learning experiences with some noticeable performances and potentially a Josh Walton, 'Goal of the Season' in the recent York City FC tournament. Well done lads, great season. All the coaches are looking forward to the 2014/15 season already!

The **Under 10's** season ended on a high with the team developing individual and team skills including communicating and understanding the importance of playing as a team and positions. Due to limited numbers in the under 10s last year the team played up a year in age and with almost half the players new to the team or to playing football the determination and turnaround was impressive. **Wilberfoss Under 14's** ..... York F1 Racing Minor League - Division 2 Champions!

The team played 18 games, Won 14, Drew 1 and Lost 3 resulting in been joint Division 2 Champions! The team worked well together and played a lot of good football throughout this great season and the results speak for themselves. The U14's started the season with some good results, beating Panthers 9-3, Tockwith 5-0 and Bishopthorpe 6-0. And this high scoring theme continued all year. A hard fought battle against Woodthorpe resulted in a 5-4 victory to Foss and two more good results against Rufforth, 7-0 and Poppleton 6-2 meant they were on track to becoming champions! A must win, last game of the season against Bishopthorpe ensured League Champions status, albeit joint with Tadcaster and Tockwith sharing the glory. The fast, attacking style of play, good team work and good football has made a good platform on which to build on and to take forward into next season, which will be in Division 1.

A big well done on all your hard work, with just deserts. Rob

The **Under 16's** started the season with a strong squad after picking up two new players in Sam Wood and Reuben Cowl in pre-season. Unfortunately it took a while for the team to find their feet but when they did, they did in style managing to beat Huntington 9-1 away from home back in November! A further two wins before Christmas meant confidence was a lot higher. Returning in the new year the u16's, with new signing Matt Besford, playing at home against Rawcliffe with only 10 men, secured a vital win after losing a key player in Sam Gibney with a broken leg! He was now out for 3 months but the team carried on without him and went on a 6 game unbeaten run! Richard Tinson was on fire, scoring 30+ goals this season but even his efforts couldn't stop the team tailing off as the season came to an end, finishing 6<sup>th</sup> in the league. Games that Wilberfoss U16's should've won lacked that little bit extra that was present early 2014. The last game of the season saw a strong performance against the unbeaten league leaders, Wigginton Grasshoppers in which two late goals denied the U16's what would have been a well-deserved draw in this Wilberfoss teams last game at Junior Football.

Thanks to everyone for playing throughout junior football, you've been a pleasure week in week out and I hope to see you all next year plus many more at the **Under 19's** level. Once again thanks for all your effort and hard work. Paul

Wilberfoss JFC are pleased to announce that they have for the first time, next season an **Under 19's** team and a **Girls Under 15's** team (see below).

### Under 14 Girls (Previously Stamford Bridge)

Having successfully finished mini soccer (7aside) as City of York League Champions, and runners up in the league cup final, the Stamford Bridge U14 girls and coaches knew that the transition from mini soccer to 9aside for the 2013-2014 season would be a challenge. Bad injuries for two key midfield players, Emma Nelson and Ellie Whytock, meant the team were two players down before the season started! The two girls were missed for the first half a dozen games but the remaining 10 girls mucked in and kept the team afloat till they were back to full strength. Bigger pitch, longer playing time and the off side rule all played a part in the next step of the teams learning curve and all adapted well. With a fantastic effort the u14's girls finished a very respectable 3<sup>rd</sup>, winning 12 games, in the City of York Girls Football League. The girls have played in 3 end of season tournaments. Entered 2 teams of 6 into the York RI and League tournament and 1 team of 12 in the Selby College/Brayton Belles. The girls received runners up medals in the League Tournament, losing the final to a very strong Poppleton team (who had also won the league).

The decision to move to the U14's Girls to Wilberfoss, was for the better facilities and training available to the girls, who at this age do need the changing rooms and extra fitness to progress. The girls love their social side of football so it is good that they can do this before and after the game in nice surroundings. It will also bode us well when welcoming visiting teams for the same reason.

With a new, naturally talented striker coming on board, Sydney Greening, our 'goals for' next season are likely to increase in our push for the title. With a new coach on board Phil Harvey, new team name, our kit / team sponsor - Jorvik Construction and new facilities, both myself, Phil, the girls and the parents are looking forward to another promising season ahead. Our league games are played on a Saturday morning at 10:30am, commencing September 14 and our training is held on Thursdays at 6pm. Well Done Girls. Helene Wilberfoss "Mavericks" JFC are always on the lookout for new players, of all abilities and if your son or daughter are between the ages of 3 (school term they turn 4) and 18, we would love to hear from you. We have a great set up, friendly FA trained coaches for all age groups and more importantly we run as a family club with the children's enjoyment in mind. Please contact Paul Jacques on 07743 276278 or e-mail [wilberfossmavericksjfc@gmail.com](mailto:wilberfossmavericksjfc@gmail.com) for further details.

Once again a big thank you to everyone involved in the club, players and parents who have made such a good season possible and long may it continue into seasons to come.

**AN UPDATE FROM THE PLAYING FIELDS ASSOCIATION** - Because of the success of this year, our current Chairman, Andy Parkin, Vice Chairman, Paul Gibney and Secretary, Sarah Wills have agreed to continue in their roles. We have also recruited two new members! Sadly, however, we've lost our Accountant, James Parkin, who has been in the role 7 years. James has to commit to exams at work and just doesn't have the time for both. We have put a plea in the Newsletter for anyone with a little time on their hands and we are hopeful that somebody may come forward.

Talking of somebody coming forward, we are delighted that following last month's plea for someone to cut the fields we have not one, not two but THREE volunteers. We have been delighted with the response and are working hard to get one of our lawn mowers fit for purpose so that we can take these guys up on their very generous offer. Thank you to all three of you for your support!

We hope that those of you who have been to the Pavilion since Dougie and Alison took over have seen a marked improvement in what's on offer. The atmosphere has totally changed and with the live music that Dougie has provided, in the form of his own duo D&A, and local acts, the Pavilion really has had a new lease of life! We've been told the atmosphere is like it was 'in the old days'. This is a real compliment because we've heard so many tales of how the Pavilion used to be.

We're focusing on the patio at the moment and new leather chairs to complement the refurbishment are due to be delivered in mid-July. The carpet in the snug is also being replaced.

Keep an eye on our Facebook page for news of future events. Dougie has a swing band and folk duo booked into the diary over the summer. Some of the bookings are last minute so Dougie can't always give lots of notice.

Lastly, we'd like to welcome Wilberfoss Junior Football Club's first girls' team! Our changing rooms have impressed the Manager of Stamford Bridge U14s so much that she's re-locating what will be her U15s team next season to Wilberfoss. This is a massive step for her as she lives in Stamford Bridge and has coached teams there for the past 8 years or so.

Having struggled to make ends meet over the last 7 years, we are so much more hopeful of keeping this vital community building (and all the recreational space that comes with it) alive. Thank you to everyone for your support!
